

Blanco Sink WARRANTY

The limited warranty covers factory defects in materials and workmanship for a period of 2 years subject to the conditions described below:

This limited warranty is provided to the original consumer owner only and not subsequent owners of the residence in which the product was originally installed.

It is an express condition of this warranty that your Blanco sink is cleaned and wiped down after every use to remove excess dirt and water. Liquids and objects left in or on your sink for extended periods of time will cause damage to the sink.

The warranty starts from date of purchase from Larson.

Please register your product online at larson.co.za within 14 days of purchase to validate the warranty.
